

## Your visit to Sadler's Wells I Am Festival 2024

This is Sadler's Wells, a theatre famous for dance of all kinds.

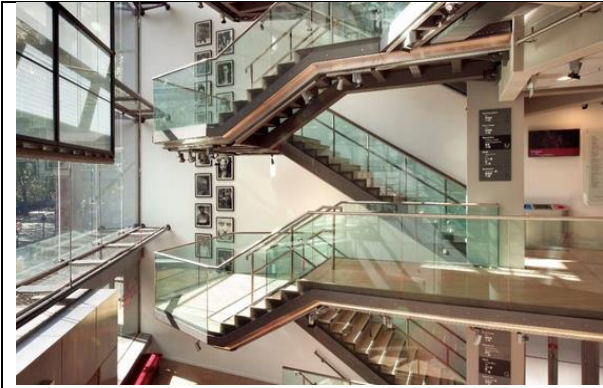

You go through the doors under the red arch into the foyer.

You will meet some of the team from A New Direction.

They wear pink T-shirts like this.

You can use the stairs to get to the mezzanine level where the activities will happen.

Or you can use the lifts.

You will arrive near here and there will be signs and a map to help you find your way.

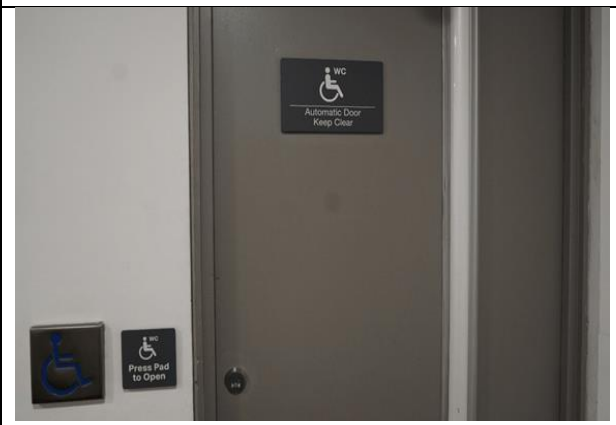

This is one of the activity spaces.

You will be able to:

- create a poem
- make a flower
- move and groove

There is a quiet room which will have bean bags and sensory objects.

There are accessible toilets on all levels.

You can ask anyone in a pink I Am T-shirt if you need a quiet space or anything else!

There is a visual guide on the Sadler's Wells website:
